BARBOURVILLE, KY., FRIDAY, AUGUST 27, 1920

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

## OPENING OF THE PUBLIC SCHOOL OF BARBOURVILLE

The School Board of Barbourville has set Monday, September 6th as the date for the opening of the Public Schools.

The prospects seem very good for the school year. It is to be hoped that all our citizens will give their loyal support and deepest interest to our new Public School.

The text books are to remain the same as last year.

## AFTER MORE HARLAN MINES

The sum of \$2,000,000 is reported to have been offered by the Henry Ford interests for the Creech Coal Company's operations on Wallis Creek, Harlan County.

This offer by the Ford interests is indicative that the millionaire is going more extensively into the coal business in Harlan County, whether or not he gets the Creech mines. These mines are near the Banner Fork operations recently purchased by Ford for \$1,500,000.

It is stated that the Fords are planning to make their own iron and steel and that these big coal mines are needed to furnish coal with which to run the five tremendous blast furnaces which are proposed and one of which has already been constructed. Many more millions of the auto manufacturers millions may be expended in the Harlan fields to secure coal for the other five blast interests and the various factories controlled by the Detroit King.

The Banner Fork operation is said to produce only twenty per cent of the coal required for the gigantic industries of Henry Ford, and it is said that in addition to the Creech Coal Company's mines, other mines in this field are desired.—Harlan Enterprise.

## WOMEN ARE NOW CITIZENS

By the action of the Tennessee Legislature passing the Susan B. Anthony suffrage measure, the women of these United States become voters in any election which may be held. Tennessee is the thirty-sixth state in the Union to ratify and the Secretary of State will now declare the amendment to the Constitution legally carried.

There are some who await the result in fear and trembling, but we do not anticipate that their fears are well grounded. The world moves and since women have become an important part in industry, and moreover, since she handles the pocket book of the country, it is only just that she should have a word in the things that affect her and her family.

We believe that the old stock argument that the home will suffer is nonsense. Rather, we believe that home conditions will improve. As it is we leave most of the questions on sanitation and the schools to the women. We can safely leave tariffs profiteering, foreign wars and the like to their judgment.

We are glad to welcome them into the status of full citizenship which they deserve and will honor.

"Let your first aim be to serve rather than to get."

## CHESTER PHILIPS CONVICTED

Chester Philips, of Laurel County, accused of the murder of Fred C. Fields, of Hazard, Perry County, received a life sentence in the penitentiary on Thursday morning.

Commonwealth Attorney Snyder, Judge H. B. Golden and County Attorney J. S. Golden acted for the prosecution and Attorney R. N. Jarvis defended the prisoner. The evidence was purely circumstantial, but the prosecution traced the movements of the prisoner so closely that the jury had no option but to convict.

Fields, who had just been turned loose from army service, was shot thru the head and his body was found by the C. & V. R. R. bridge near Corbin, but in Knox County.

The trial of Bradley Smallwood and Milford Lawson, accused of complicity in the murder, is now proceeding.

## BAKER

We greatly regret to announce the death of Mr. C. H. Baker, of New York, which occurred suddenly on Wednesday, Aug. 25th. Mrs. Baker is in Barbourville on a visit to her father, Capt. Wm. McDaniels, and the remains are being shipped to this city for interment.

Mr. Baker formerly lived in Barbourville and is a brother of W. M. Baker. His wide circle of friends will be shocked to hear of his passing and will extend heartfelt sympathy to the bereaved wife and relatives.

## GARAGE FOR BARBOURVILLE

An important bit of news this week is that Messrs. Sawyer A. Smith and Guy L. Dickinson have acquired the Vermillion lot on Knox Street from Sam Cawn and will form a corporation for the erection of an absolutely fireproof garage to cost at least \$25,000. The lot on which the garage will stand is 100x140 feet and the capacity will be 180 cars. This garage will be built of steel, concrete and brick and will not only be one of the finest in the State, but will be absolutely fireproof in construction.

It is not generally realized what the bituminized highway will mean to this city in the matter of auto travel, except by those who have stood on one of the National highways and watched the multitude of cars whiz by and the Knox Garage, as it will be called, should be a big money maker for the stockholders.

Besides handling a full line of supplies, the garage will sell cars and do any business connected with the automobile business.

We are glad to welcome this project which is another evidence that Barbourville has citizens who mean to keep it on the up-grade of progress.

Mrs. D. Vincent and Mrs. Lyman R. Benjamin left Sunday on a visit to their son and brother, Dr. H. C. Vincent, Joplin, Mo., and Mrs. G. W. Brewer, of Sydney, Neb., their daughter and sister. They expect to visit Denver and other points in the west.

## UNION COLLEGE GYMNASIUM ABOUT COMPLETE

Union College gymnasium is completed so far as the builders are concerned. When Gps. Heuffer has put in the plumbing, much of which is already installed, Union College will own a gymnasium of which it may well be proud, as may the citizens thru whose help it was constructed. It is a splendid structure, with a fine floor space for games, an up-to-date running track, swimming pool and shower baths. In some respects it is said to be superior to the gymnasium at the University. What U. C. does is done well. As Dr. Franklin and the Board have both faith and foresight at work for the good of the institution and in this thing they have excelled.

## MRS. HUDSON HOSTESS

One of the prettiest social affairs of the season was the afternoon reception given on Wednesday of last week by Mrs. Walter Scott Hudson in honor of Miss Lillah Johnson, who is to be married Aug. 30th to Mr. Harry Ricketts, of Columbus, O. The color scheme of pink and green was effectively carried out in a profusion of pink daisies, cosmos, roses, ferns and asparagus which decorated the entire lower floor.

Mrs. Sawyer A. Smith assisted the hostess in receiving the guests and Miss Gladys Johnson presided at the punch bowl.

Mrs. Brownlee and Mrs. Chappelle were kept busy arranging kodak pictures of the guests in a lovely hand-painted book which the hostess presented to the bride to be together with a list of "Don'ts" for the bridegroom donated by those present. After an hour's participation in sense, nonsense and a contest entitled "The Proposal," (the winner, of course was the bride-to-be, and was awarded a box of lovely stationery) the guests repaired to the dining room, which was especially attractive. The prevailing color was carried out both in decorations and refreshments with charming effect. The beautifully appointed table was covered with a handsome cloth of tating on which was a bowl of pink cosmos and ferns surrounded by pink baskets filled with dainty and delicious mints.

Mrs. Mies, Golden and Chappelle assisted the hostess in serving refreshments of ices to pink and green with heart-shaped cakes.

The invited guests were: Mesdames Brownlee, Chappelle, Guy Dickinson, T. B. Tinsley, Leslie Logan, Bassett, Milston, Ray Newitt, Hiram Owens, Andrew Decker, Jr., James Golden, James Miller, Milo Richards, Dan Talbott, Edward Faulkner, James Jarvis, Sawyer Smith, Dan Herndon, Misses Lillah Johnson, Gladys Johnson, Myra Amls, Nancie Vickers, Lily Albright, Anna Ballinger, Lucy Ballinger, Roberta Cole, Nola Milton, Nancy Faulkner, Fanny Faulkner, Emma Morris, Gertrude Black.

Miss Roberta Allen Sandusky, of Lexington, is the pleasant guest of Miss Gertrude Black. Miss Sandusky was formerly one of the faculty at Union College and has many friends who are glad to welcome her back to Barbourville.

## TELLS NECESSITY OF CARE OF THE EYES

Optometry is the scientific method of examining the powers and visual conditions of the eyes, together with the strength and poise of their related muscles, and giving the proper assistance, exercise or lenses, to overcome their defects.

Optometry today stands forth as a specialized profession, recognized by law, for the measurement of the powers of vision and the adaptation of lenses for the aid thereof.

The optometrist finds the defect in the refraction of the eyes and corrects the same with proper glasses, not in the hope that he may "merely help" the patient to see better, or drive headaches away, for he "finds the cause" of the trouble and corrects it. In correcting the causes he incidentally relieves the disappearance of headaches, nervousness, dizziness and many disorders resulting from defective vision. Forty-six states and several provinces in Canada have laws regulating the practice of optometry by rigid examination.

Some people are under the impression that optometry is a branch of medicine, but it is as separate and distinct as dentistry; more so, in fact.

There are about 60,000 known irregularities of the eye that require glasses for their correction. Optometry as practiced today, is a twentieth century science. It is photographic, inasmuch as it deals exclusively with light and bears no relation to medicine or surgery.

Examining eyes for refractive errors and fitting glasses require special training and years of experience are necessary to correctly diagnose and relieve the many reflex troubles arising therefrom.

Our eyes produce the major percentage of nerve troubles. It is not necessary to be half blind to suffer from eyestrain; many persons who apparently see perfectly are the greatest sufferers.

Eyestrain is a most insidious and, in some respects, a most dangerous affliction. It is not dangerous in the sense that it means loss of vision. Many people go thru life seeing well enough, yet afflicted with eyestrain to a degree that makes life a prolonged misery. The trouble is that symptoms of eyestrain are not always located about the eyes. They often are in the nature of what is called "reflex." On the physical side unsuspected eyestrain frequently is the sole cause of chronic indigestion, headache and occasional attacks of dizziness.

On the mental side it may make its influence felt even more mischievously. Those affected may have no obvious symptoms of eyestrain. They find it hard to concentrate the attention. The head throbs quickly when they are trying to think. The subject is nervous and irritable. All this impairs efficiency and sends earning power far below what it ought to be. One so afflicted is often difficult to get along with at home or in business.

When, as sometimes happens, unsuspected eyestrain makes one so overwrought that he cannot sleep, then his plight is miserable indeed.

Many a so-called "dull child" is so because of some visual defect which is sapping his energy. Teeth, nose, throat, stomach and even the feet all receive due attention, but many children are sent to school without the least attention to the eyes—the main avenue to education. When the youngster fails behind in his studies the blame is laid upon everything but the real cause. The child is called stupid or the teacher is blamed for his backwardness. Seven out of ten children have defective eyes. Give them a chance. During the last few years the school boards have done excellent work in this line, but the work has necessarily been slow and incomplete. It must have the co-operation of both the teacher and parents.

## LADIES AID

The Ladies Aid of the Christian Church met at the home of Mrs. A. V. Anderson Friday, August 26th. Some very important business was transacted. After the business session Mrs. Anderson served ice cream, cake, lemonade and grapes.

On account of the Fall the next meeting will be the second Friday in September at the home of Mrs. Archer.

## ARTS AND CRAFTS AT STATE FAIR

Altho big letters designate the section at the State Fair set aside for the exhibition of fancy work, sewing, cakes and pies, as the "Women's Department" many articles entered in competition with wares of previous prize winners will be the fruits of the labor of men this year. These men are former soldiers who, wounded in the war, learned to be expert crocheters and knitters while in hospitals.

Carl C. Stephens, an overseas veteran who carries permanent scars from the battles of the Argonne, is the first man to enter more than one article of handicraft. He has entered a handsomely embroidered sofa pillow cover and a knitted bedspread.

Victor Longstreet, a Louisville boy of sixteen, has entered a painting.

Miss Addie Ditto, superintendent of the women's department, has received more than a dozen requests for entry blanks from former soldiers and her mail is flooded with entries from women in all parts of Kentucky.

This year two novel sections of the Women's Department will bring together May and December, one section being for work done by women more than 65 years of age and the other for girls younger than 13 years.

The arts and crafts department has been enlarged greatly to take care of the many exhibitions which have been promised. In this department is shown basket work, wov on work such as towels, rugs and other household articles, lampshades, posters, place cards, photography, sketches and portraits in oils and water colors and hand painted china.

The section for women more than 65 years of age will embrace exhibits of crocheted slippers, table mats lace and shawls; knitted sweaters, socks, gloves and mittens and embroidery of all kinds.

The section for children under 13 years old will be for exhibits of dressed dolls, aprons and small articles of wearing apparel, crocheting knitted work and button holing.

## THERE IS A NEW SCHOOL LAW OF TRUANCY

To the Citizens of Barbourville: The Court and School Board have selected and appointed a truant officer for the City of Barbourville whose duty it will be to see that all children of school age are attending school every day.

Fellow Citizens! Are you interested enough in your boy to see that he is in school? You are going to get yourself into deep trouble if you allow your boy to stay out of school. If your boy is caught out of school you will be taken before the Court and fined. Then the next time it occurs your fine will be doubled and if it happens again you may be put in jail.

This new law is going to be put in force. Keep your boy in school.

Be an optimist. Confidence is infectious.

## LISTS OF JURORS

The following persons served on first Grand Jury of the present term of Circuit Court.

Press Jones, Frank McDonald, A. M. Hopper, Mack Hammons, Isaac Hopper, Frank Messer, J. L. Baker, D. B. Helton, John McVey, G. C. Hopper, M. A. Hood, Tom McDonald.

Pettit Jury No. 1: Milton Sealf, John Burnett, Dan Jackson, W. H. Campbell, Harve Hammons, Robert Price, Gordon Parker, Adison Merida, Duten Jarvis, Harry Cheek, James Woolum, Jas. Epperson.

Pettit Jury No. 2: L. W. Hampton, James Hampton, J. B. Warfield, Grant Mills, Chas. West, Frank Howard, William Johnson, James Walker, John Warren, H. P. Martin, Jack Amos, Harry T. Brown, Cager Smith.

## REGRETTABLE SHOOTING AT MANCHESTER

A most regrettable shooting occurred at Horae Creek Mining Camp Clay County, on Friday night. As a result, Carlo B. Marion, of Manchester, who was acting as marshal at the Camp is dead and Wm. McVey received a shoot thru the knee.

It is alleged that McVey was suspected of being possessed of whiskey and the shooting occurred over this question.

Dr. Pennington, of London, was called over Saturday, but decided against an operation on the ground that the patient was not able to undergo the strain. He passed away Wednesday afternoon at 4 p. m.

## WEEDS! WEEDS!

Now is the time to cut your crop of weeds. Cut those in the back yard for the good of your health and those in the front yard for the looks of your property. There are some people who do not need to pay attention to this request. Are you one of them?

## EDITOR'S HOME TOWN Visited By Disastrous Flood

The item printed below records a flood in the home town of the editor of the Advocate. The river Lud is in most places what would be designated a creek in this country, tho its water bed is never dry. It was used by the editor and other small boys for the art of broad jumping, but never, during the seventeen years he spent there did the river show any signs of overflowing, so that the cloudburst mentioned must have been one of great severity. While England gets severe storms it is unusual for lives to be lost thru overflow of its rivers.

Louth, Eng., May 31.—Twenty-seven bodies of those who lost their lives in the overflow of the river Lud have been recovered and many more are missing. Unofficial estimates placing the death toll at fifty. Fifty houses were washed away and 1,000 others damaged.

Get your Job Printing done at the Mountain Advocate office. Quick work guaranteed.

## Wealthy Men Make Profits

The men of wealth, whom so many people envy, are not much different from the rest.

ONE THING THEY HAVE LEARNED TO DO. They take a good deal of time to budget their expenditures.

By planning, they save; by saving they are always in position with ready money to take advantage of opportunities.

EVERY MAN OR WOMAN CAN REAP BENEFITS OUT OF THE PRACTICE OF SAVING.

MAKE THIS YOUR BEST YEAR IN SAVINGS AND PROFITS

## THE HARDING CREED

"No man is big enough to run  
this Republic. There never has been  
one. I believe in party government  
as distinguished from personal govern-  
ment, individual, dictatorial, or  
what not."

## THE COOLIDGE CREED

"The foreign relations of our coun-  
try ought not to be partisan but  
American. Our party stands pledged  
to make an immediate peace as  
soon as it is given power by the  
people."

## U. S. OFFICERS

### CAPTURE TWO STILLS

C. L. Winfrey, Chas. Stewart, H.  
M. Samuels and Joe Kavanaugh cap-  
tured two stills on the head of How-  
ard's Branch Thursday. One was  
made of a ten gallon zinc can and  
the other was a large copper still of  
forty-five or fifty gallon capacity. No  
arrests were made.

Mike Margolo was arrested at  
Lyach the first of the week by Mr.  
Winfrey and possee and brought be-  
fore U. S. Commissioner Hollins. He  
had ten gallons of whiskey when ar-  
rested, the pled guilty in transport-  
ing and carrying liquor.—Pineville  
Citizen.

## "MICROBE OF LOVE"

You may not be aware of it but  
an old microbe, known for ages, but  
never before isolated for making in-  
jections or "toxines" will be in our  
town September 10th under the au-  
spices of the Civic League in the  
form of a local talent play. This  
will be a high class musical comedy  
given by local musicians with the as-  
sistance of a director who will be  
here more than a week.

Watch the window advertising for  
time and place and buy your tickets  
early. Every body is invited to this  
performance and promised the worth  
of their good money.

"Keep your chin up."

## CANDLING EGGS

Complaints have reached the  
State Board of Health that the reg-  
ulations in regard to the candling of  
eggs from May 15th to January 15th  
of each year are not being observed.  
It was estimated in 1917 that 10,  
000,000 cases of eggs were lost as  
food due to rotting and improper  
handling. This meant a financial  
loss of over \$100,000,000. The cand-  
ling of eggs by buyers and shippers  
will force them on the market while  
fresh and prevent the shipping of  
rotten eggs and greatly reduce this  
loss.

The regulations to insure this  
candling can be condensed as fol-  
lows:—Candle all eggs bought or  
sold between the dates of May 15th  
and January 15th by each year.

Farmers, country merchants, huck-  
sters and shippers can easily and  
cheaply save eggs and money by sell-  
ing them while fresh and observing  
the rule that requires an egg cand-  
ling certificate in every case of eggs  
put on the market.

Buyers of eggs should candle all  
eggs at time of purchase. Pay only  
for good, edible eggs; returning the  
bad ones to the producer. Keep state-  
ment of purchases showing number  
of good and bad eggs in each lot.  
Put candling certificate in each egg  
case.

Shippers of eggs should ship as  
soon as possible. See that all eggs  
shipped have candling certificate in  
each case.

Receivers and brokers should re-  
fuse to accept any case of eggs that  
does not contain a properly signed  
and dated candling certificate.

At present the inspectors of the  
Federal and State Food Departments  
are making inspections of shipments  
of eggs; and violators of the Federal  
Law in interstate shipments and  
of the Board of Health rulings in  
interstate shipments, will be prose-  
cuted.

A copy of this letter is being sent  
to every prosecuting attorney in this  
state with the request that prosecu-  
tions to be instituted in every case  
of violations of the law.

## FOOD SALE

The Ladies Aid of the Presbyter-  
ian Church will hold a food sale on  
Tuesday of next week. You will be  
able to buy all your pies and cakes  
to serve your guests during the Fair.  
The cooking of these ladies needs no  
recommendation as their reputations  
are already established.

## ORDINANCE

Be it ordained by the City Coun-  
cil of the City of Barbourville, Ken-  
tucky, that a local tax, to wit: a  
Street Improvement Tax, be and  
same is hereby levied and assessed  
as follows:

Section 1. — That the cost and  
improvement on Johnson Lane in the  
City of Barbourville, Kentucky, in-  
curred under the Ordinance author-  
izing and directing said improve-  
ments to be made, approved March  
18, 1919, be and same is hereby ap-  
portioned in accordance with the  
estimate prepared and furnished by  
the City Engineer, among the own-  
ers of the property abutting on said  
street, on both sides thereof accord-  
ing to the number of abutting feet  
owned by them respectively as fol-  
lows:

H. H. Owens	75	\$179.88
S. B. Dishman	931	2,210.24
Barbourville Brick Co.	745	1,579.23
Louisville & Nashville R. R. Co.	845	1,820.68
John A. Black	930	2,207.44
City of Barbourville	73	173.61

Section 2. — That there be and  
hereby is assessed and levied a local  
tax on and against the property ab-  
utting said improvement and said  
street, to the total sum of eight  
thousand one hundred sixty-nine dol-  
lars and forty-nine cents, for the  
purpose of paying for and for pay-  
ing the cost of said improvement to be  
paid by the owners of the prop-  
erty abutting said street and im-  
provement at the rate, per front foot  
of \$2.27.

And there is hereby assessed and  
levied against the respective parcels  
of land abutting said improvements  
the sum aforesaid apportioned to  
said lots as the proportionate cost of  
such improvement at the rate per  
front foot aforesaid.

And of said total sum the City of  
Barbourville shall pay from its gen-  
eral fund into the Street Improve-  
ment Fund for said street the sum  
of one hundred seventy-three dol-  
lars and sixty-one cents, represent-  
ing the cost of improvement of the  
intersections with other street inter-  
sections and its proportionate part  
of drainage, grading, engineering,  
and other costs, uniform to said  
street as a whole.

Section 3. — Upon approval and  
publication of this Ordinance, the  
City Treasurer shall give notice by  
one publication in the Mountain Ad-  
vocate, a newspaper, published in  
said City, of the apportionment of  
the cost of said improvement against  
the parcels of land abutting thereon  
requiring all such owners to pay the  
taxes herein assessed against their  
respective parcels of real estate  
within thirty days, next after the  
publication of this Ordinance, or to  
make the election to pay in install-  
ments of ten equal payments and  
enter into contract to that effect as  
hereinafter provided.

The local taxes herein assessed  
and levied may, at the option of the  
property owner, be payable in cash  
without interest, within said thirty

days, or in ten equal annual in-  
stallments as herein provided. Any  
property owner who desires to ex-  
ercise which privilege of payment  
by installments, shall before the ex-  
piration of thirty days from the date  
of publication of this Ordinance, en-  
ter into an agreement in writing  
with the City of Barbourville that in  
consideration of such privilege, he  
will make no objection to any ille-  
gality or irregularity with regard to  
the taxes against his said property,  
and that he will pay the same in the  
manner herein provided with spec-  
ified interest. In cases where such  
agreements have not been filed with-  
in the time limited above, the entire  
tax shall be payable in cash without  
interest before the expiration of said  
thirty days. Any such tax not paid  
within said time shall bear 6% in-  
terest per annum from the date of  
the publication of this Ordinance,  
and a penalty of 10% additional  
upon the amount of said tax, or any  
part thereof not paid within said  
thirty days.

In case any one or more of said  
property owners shall elect to pay  
said tax in ten equal annual install-  
ments, the same shall be payable as  
follows:— One tenth of said tax,  
with interest at 6% per annum, of  
the entire tax, at the time fixed by  
law for the payment of General City  
taxes for the year 1920 and annually  
thereafter one tenth of the entire  
tax. At the end of six months from  
the time of the first installment of  
the tax becomes due, interest shall  
be due and payable for six months  
on all unpaid installments of said  
tax. Any person may however, at  
any interest paying period next af-  
ter the fifth annual installment of  
his tax becomes due, pay the entire  
assessment remaining unpaid of  
such tax against his property with  
accrued interest.

Passed August 23, 1920, and ap-  
proved August 25, 1920.  
THOMAS D. TENSLEY, Mayor.

## INVENTIVE GENIUS ROBS CALOMEL OF NAUSEA AND DANGER

Doctors' Favorite Medicine Now  
Purified and Refined from All  
Objectionable Effects. "Calo-  
tabs"—the New Name.

What will human ingenuity do, next?  
Smokeless powder, wireless telegraphy,  
horseless carriages, colorless iodine, taste-  
less quinine, now comes anise-flavored  
calomel. The new improvement called "Calo-  
tabs" is now on sale at drug stores.

For biliousness, constipation and in-  
digestion the new calomel tablet is a  
practically perfect remedy, as evidenced by  
the fact that the manufacturers have au-  
thorized all druggists to refund the price  
if the customer is not "perfectly delighted"  
with Calotabs. One tablet at bedtime with  
a swallow of water—that's all. No taste,  
no nausea, no griping, no salts. By morn-  
ing your liver is thoroughly cleansed and  
you are feeling fine, with a hearty ap-  
petite. Eat what you please—no danger—go  
about your business.

Calotabs are not sold in bulk. Get an  
original package—sealed. Price, thirty-  
five cents.—(adv.)

Keep away from temptation.

Come in  
and  
Test the New Edison  
against your emotions

We want to give you Mr. Edi-  
son's Realism Test. We want  
you to decide for yourself whether  
the New Edison brings you music  
as you like to hear it.

Think back to the last time you  
heard a great singer (or instru-  
mental). His art made you feel  
emotions. In those emotions,  
you found your pleasure.

You want the New Edison to  
bring you the same emotions.  
The Realism Test helps you as-  
certain whether it does. It's a  
scientific test—fascinating to en-  
joy. Hear it, and you'll know  
what a miraculous art the New  
Edison brings into your home.

Ask about our Budget Plan. It  
shows you how to organize your  
dollars on a thrift basis and make  
easy the purchase of a New Edi-  
son.

service.

## SEVENTY SQUARE MILES OF RUBBER TREES

Brazil no longer holds the supre-  
macy in rubber production in the  
world. Fifteen years ago no one ever  
even thought of any other country  
than Brazil when rubber was men-  
tioned. But today seven-eighths of  
the rubber produced comes from the  
Far East where it is grown on plan-  
tations. Brazil's output is still wild  
rubber, gathered from trees in the  
jungle of the Amazon.

American interest was attracted  
to the plantation industry in 1920,  
when the British and other Euro-  
peans had invested between three  
and four hundred million dollars in  
estates. The United States Rubber  
Company, the largest consumer of  
crude rubber in the world, was one  
of the first of the American concern  
to investigate the possibilities  
and enter the field. The Dutch Is-  
land of Sumatra was chosen for the  
company's activities. This American  
corporation has established there  
the largest single rubber plantation  
in existence. The tract contains  
more than seventy square miles of  
trees in a high state of cultivation  
and close to twenty thousand em-  
ployees are at work in the great or-  
chard. The high standards of ad-  
ministration and scientific culture  
which have marked this project have  
implanted in the minds of the dwell-  
ers in that far eastern clime a tho-  
rough respect for American efficiency

## UNITED WE STAND

Mountain Advocate, Barbourville.  
As the years go by we notice many  
changes in methods of doing busi-  
ness and in methods of getting busi-  
ness. Fifty years ago, when this  
business was established, our adver-  
tising was limited to the printing,  
by the proprietors, of the name  
Crutcher & Starks on the fence rails  
in and about Frankfort, Ky. And as  
our advertising methods have pro-  
gressed so has our merchandising  
power increased. We expect to  
build up a very great business over  
the whole State of Kentucky, thru  
the State Press, and as one of our  
representatives in your locality we  
are sending you letters from time to  
time to let you know thoroughly of our  
intentions and aspirations.

Mr. Burman, Louisville is acknow-  
ledged the metropolis of the State,  
and if there should be anybody in  
your locality who wishes to be pro-  
vincial in his ideas and withhold sup-  
port from Louisville institutions,  
just remind him that as Louisville  
prosper so will the surrounding  
cities prosper, and as we both prosper  
so will the State of Kentucky  
prosper. Let your paper and this  
firm exemplify the truth of our State  
Slogan—United We Stand—Divided  
We Fall. Sincerely yours,  
CRUTCHER & STARKS.

**NOTICE TO CONTRACTORS**  
August 10, 1920

Sealed bids will be received by the State Highway Commission at the office of the State Highway Engineer, Old Capitol Building, Frankfort, Ky., until 2 p. m. the 31st day of August, 1920, for the improvement of the Barbourville-Pineville road from East Corporation line Barbourville, to Bell County line in Knox County, a distance of approximately 11.4 miles.

This road is officially known as State Project No. 5 Section A, on the State Primary System in Knox County. This project is also known as Federal Aid Project No.—Section A.

This improvement will consist of shaping the road, constructing necessary drainage structures and grading it to a width of 26 feet in cuts and 22 feet on fills as a grade and drain project, in accordance with approved plans and specifications.

Instructions to bidders, forms of proposals and specifications may be secured and plans examined at the office of the State Highway Engineer, Old Capitol Building, Frankfort, Ky.

Blue prints of the work may be obtained from George G. Fetter Co., Louisville, Ky.

Each bidder must accompany his bid with a bond or certified check for \$5,500.00, payable to the State Treasurer, credit of the Department of State Roads and Highways.

The right is reserved to reject any and all bids.

**Approximate Quantities for this Road Improvement:**

<b>Grade and Drains</b>	
Excavation, earth . . .	53,350 cu. yds.
Excavation, rock . . .	257 cu. yds.
Excavation, borrow . . .	21,142 cu. yd.

BARBOURVILLE, KENTUCKY

## Now the whole family can go out on a Summer evening

**THE** women should certainly be thankful for the automobile. It has given them a chance to see a lot more of their husbands.

II

But it has done a great deal more than that.

It has brought people closer together, given them new interests, swept away old prejudices.

What affects one man now generally affects a good many of his neighbors in the same way. And they have a better chance to get together and talk things over.

III

It's had its effect on the tire business.

When automobiles were new people were willing to buy any kind of a tire. Now

they're beginning to insist on knowing what they are getting.

And the more they insist, the better it will be for us.

IV

We want our customers to know what they are getting.

That's why we represent U. S. Tires—so there will be no doubt about it.

Whatever the size of your car, you know that the U. S. Tire you put on it is the **best kind of tire** its makers know how to make.

U. S. Tires are guaranteed for life, without any limitation of mileage.

That ought to mean something to the man who has thought about tires.

## NURSING SERVICE IS RAPIDLY EXPANDING

This American Red Cross Work Flourishing in Small Towns Throughout Country.

More than 37,000 graduate nurses have been enrolled in the American Red Cross to date and its department of nursing is daily increasing this enrollment.

The department of nursing has been authorized to maintain an adequate reserve of nurses for the army and navy. It will continue to supply the needs of the United States Public Health Service to which it has assigned more than 1,000 nurses in the last year.

It will assist in establishing proper nursing service in foreign countries where the American Red Cross has organized hospitals, dispensaries and schools for nurses. Nurses in home hygiene and care of the sick have been started for thousands of women who have never received any education in this direction. Rural nursing which was in its infancy a short while ago has been put ahead at least a decade through the work of the department of nursing and local Red Cross chapters.

Public health nursing has been extended to many rural communities and now flourishes actively in hundreds of small towns and counties. Nearly a thousand efficient nurses have already been assigned to this kind of work.

The department of nursing is uniting with other organizations in a year's campaign in recruiting nurses for training schools, in educating the general public as to standards of nursing education and in showing communities their responsibility toward schools of nursing. It will endeavor to meet all these needs as well as to continue the enrollment of dietitians who will be utilized as instructors in home dietetics, in developing nutritional clinics, and in supplying dietitians for the United States Public Health Service and the civilian hospitals.

The Nursing Service will continue to offer to women and young girls the opportunity of securing instruction in home hygiene and care of the sick in every community in the country. This instruction has not only laid the foundation for public health but in some places has given impetus to the establishment of hospitals and community school houses.

"As a community profits by the work of the nurse," says Miss Clara D. Noyes, director of the department of nursing, "it is logical that the community should be aroused to its responsibility. The American Red Cross stands ready to help in a general campaign of recruiting and must have the support, sympathy and understanding of the medical profession as well as the intelligent co-operation of the people at large."

## HOME SERVICE FOR EVERYBODY IN NEED

Do you know what the present day Home Service of the American Red Cross is?

Many people do not know that, besides completing the work for ex-service men, especially the disabled, it provides the same neighborly service to families in general that it formerly gave families of soldiers, sailors and marines.

"Home Service covers a wide and varied field," says Frederick C. Munroe, general manager of the American Red Cross. "It gives aid to families in solving such problems as budget planning, marketing, tiding over times of financial stress, keeping children in school, helping crippled children, widowed and deserted mothers, children backward in school and children in conflict with the laws. It renders service to the homeless and transient, to the illiterate, to tenement dwellers, to the unemployed, and gives friendly assistance and advice to foreign speaking groups."

In addition to helping families in the solution of their own problems, Home Service helps in strengthening the weak spots in the social life of communities. It joins hands with others to make communities safer, healthier and happier.

Organizing action along lines in which the community is already interested is one of the objects of Home Service. It has established community meetings, patriotic celebrations, pageants and picnics. Rest rooms, recreation facilities, play supervisors and moving pictures have been provided. Through Home Service other agencies are influenced to bring about improved commercial amusements and better school facilities and to promote traveling libraries as well as to secure community agricultural and home demonstration agents.

If you need assistance at any time, go to the secretary of the nearest Red Cross chapter and describe the situation. Your confidence will be sacredly respected and every possible effort will be made to aid you.

**American Red Cross Roll Call.**  
The Fourth Annual Roll Call of the American Red Cross will be held this year from Armistice Day, November 11, to Thanksgiving Day, November 25, inclusive. During this period the men and women of the United States will pay their annual dues and renew their membership.

## ANOTHER NURSE

### PRAISES TANLAC

Fifteen Years of Stomach Trouble Overcome And She gains 20 Pounds

Mrs. Alice Minnick, who has been a professional nurse for thirty-six years and resides at 1815 Twenty-third Ave., Seattle, Wash., adds her voice to the hundreds of others in this profession who have already endorsed Tanlac.

"Since I began taking Tanlac I have not only gained twenty pounds in weight, but for the first time in sixteen years I am free of pain and enjoying good health," stated Mrs. Minnick. "I constantly had cramping, gnawing pains in my stomach all these years, my appetite was extremely poor and the little I did eat caused me great distress. After each meal my food began to ferment and sour on my stomach almost at once. I would float up with gas, and those terrible pains would get a hold of me. I could hardly eat and I could hardly sleep. I had pains in every part of my body just about all the time, but they were especially bad in the small of my back. I also suffered with severe headaches and dizzy spells and my nerves were so badly upset I could get but little sleep often lying awake all night long."

"I had heard so much of the good Tanlac was doing others I decided to try it myself, and it proved to be the very thing I needed. I began to improve right away. It was only a few days before my appetite returned and I can now eat anything I want without having a particle of trouble afterwards. Those terrible gnawing pains that had troubled me so many years have entirely disappeared. I never have a headache or become dizzy, and the pains that were thrust my body have all gone. In fact, my whole system has been built up by Tanlac. I have regained my strength so I can do my work as a nurse, which keeps me on my feet for hours, day and night, without a particle of trouble. Several of my patients have taken Tanlac and it has proven beneficial in every case. After what Tanlac has done for me I can never say enough for it."

Tanlac is sold in Barbourville by the Cut Rate Drug Co.; in Ardenburg by J. B. Haskin and in Permain by N. J. Faulkner & Co.—Adv.

### Why People Buy RAT-SNAP In Preference to Rat Poison

(1) RAT-SNAP absolutely kills rats and mice. (2) What it doesn't kill it scares away. (3) Rats killed with RAT-SNAP leave no smell, for they dry up inside. (4) Made in cakes, no mixing with other food. (5) Cats or dogs won't touch it. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Crested Owl Drug Co. and Wilson Bros.—Adv.

The Baptist Church has 300 feet of Iron Fence for sale. See John Parker. 40-47

"Rush jobs rushed" at the Advocate printing office and the prices are right.

## THOUSANDS PROCLAIM THE MERITS OF PE-RU-NA

Read Their Letters

Mrs. Martha C. Dale, R. F. D. 1, Cannon, Del., writes: "I am entirely cured of chronic catarrh of the stomach and bowels by PE-RU-NA."

Mr. J. Bayer, Glendale, Oregon: "There is no medicine like PE-RU-NA for catarrhal deafness."

Mrs. Kate Marquis, Middleburg, Ohio: "PE-RU-NA cured me of catarrh of the head and throat."

Mr. J. H. Collins, Wesson, Mississippi: "PE-RU-NA makes me feel vigorous and able to work without that tired, weak feeling I usually have otherwise."

Mrs. P. Ludvigsen, Austin, Minnesota: "I got rid of my liver trouble and can eat anything since taking PE-RU-NA."

Mrs. L. Hearing, 283 East 169th St., New York City: "For catarrh of the head and stomach, I have found PE-RU-NA better than any other medicine."

Mr. W. H. Edgar, 49 Cooper St., Atlanta, Georgia: "PE-RU-NA cured me after I had suffered fifteen years with rheumatism."

Mrs. Leona Dodd, R. No. 3, Medon, Tennessee: "PE-RU-NA is a grand medicine for coughs and colds."

So many diseases are due to catarrh and catarrhal conditions, makes PE-RU-NA the best medicine in the world to have on hand for emergencies and general health protection. Thousands of families are never without a bottle of PE-RU-NA or a box of PE-RU-NA Tablets in the medicine cabinet. That is the safe way. You can buy PE-RU-NA anywhere in tablet or liquid form.

## ROAD FORT NEWS

Plenty of good rains now which is just what we want and need.

Otto Price went to town Saturday to be examined for a pension claim.

John Lucas Baker and Grant Mills returned home Sunday from Barbourville where they have been sitting on jury.

Mrs. Victor Hammons and her young teacher brother, Ileri Smith, the former being teacher at Jackson school and the latter at Hinkle Branch, had their schools meet together for a ball game and spelling match. The spelling match closed with the victory for H. B. S. Then came the hot August ball game the score being 25 to 7 in favor of the same school.

Young teacher Smith says "As is the teacher, so is the school." Run!

Mr. and Mrs. Tom J. Hale, of Payne's Creek moved to Mill Branch last week.

Thomas Cern sold a mule for \$300.00—some 1.00!

James Hinkle of Payne's Creek, went to town last week to get a veterinary for his fine mule which is sick.

Mrs. McKinley Gray is very low at this writing but is apparently improving at this writing.

Thomas Savage, who has heart trouble, is very sick.

Otto Price visited Perry Garland Sunday.

Mrs. Alice Smith, of Barbourville recently visited her parents, Mr. and Mrs. James L. Townsley.

Life is a warfare so keep pace with the highest ideals of the times by reading the Advocate.

J. C. W. R. G.

## GIRDLER NEWS

A large crowd attended church at Locust Grove Sunday.

Rosa Cross, of Cannon, visited Mamie and Nannie Hammons Saturday and Sunday.

Rev. H. G. Bolton has been holding a revival in Laurel County and reports a fine meeting.

## Skin Eruptions Cause Constant Torture

Diseases Must Be Eliminated From the Blood.

Eczema, tetter, boils, pimples, ulcers, irritations and scalp eruptions, as well as all other forms of skin diseases, come from a disordered condition of the blood. They must be cured through the blood, and this explains why local treatment fails so absolutely. The radical and rational treat-

ment is to take a thorough course of S. S. S., which will root out the disease germs from your blood, your complexion will begin to clear up and you will soon be rid of the disease as thousands of others have. Get a bottle of S. S. S. today, write to our head physician, who will gladly give you full medical advice without charge. Address: Medical Director, Swift Laboratory, Atlanta, Ga.

### A TEXAS WONDER

**FRANKLIN & CANNON**

## The Importance of Having Your Child's Eyes Examined Before Starting to School

School Opens In Ten Days

Your child will soon be starting a new school term, and of course you are interested. But many parents who consider no sacrifice too great in order that their children may have a good education, seem to forget the imperative need for good Eyesight.

Constant scowls and frowns, especially on the faces of the young, are usually looked upon as indications of a mean, obstinate, stubborn disposition, when the truth of the matter is that these marks of disfigurement are generally due solely to an effort to see better.

Eyestrain is the cause; and when the cause is not remedied, the frowns become permanent and mar the person's appearance for life.

Defects in children's eyes, if cared for in time, may frequently be overcome by wearing "PROTECTIVE GLASSES" during their school days.

Don't blame the child for poor reports at school, for bad disposition and a general lack of interest in everything unless you know the eyes are right.

You are responsible for the sight of your child and should take steps now to see that he or she is not handicapped in school work by defective vision.

The signs of defects in children's eyes are not perhaps very pronounced, but they are readily recognizable, and in the interest of the little one's future they should receive immediate and proper attention.

The eyes of all children should be examined at least every year, as in this way only is it possible to determine whether eyestrain exists or not.

If glasses are not needed, we'll very gladly say so.

And now, during the vacation, inconvenience of a call is lessened to you.

## HAS WILLIAMSBURG FOUND THE SAME?

The Answer Is Found In The  
Straight-Forward Statement of  
A Williamsburg Resident

We have been reading week after week in the local press of Harboursville citizens who have been rid of distressing kidney and bladder troubles by Doan's Kidney Pills, and we have often wondered whether the same high opinion of this medicine is to be found in our neighboring towns. This frank and earnest statement by a well-known and respected resident of Williamsburg will set this doubt at rest.

L. E. Martin, plumber, River St., Williamsburg, Ky., says: "My kidneys were too free and they acted irregularly. I suffered from a soreness and dull ache across my back. I used Doan's Kidney Pills, and they regulated my kidneys."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Martin had. Foster-McBurn Co., Mfrs., Buffalo, N. Y. Adv.

### LOST

A gold Greek letter fraternity pin in form of "X". A very liberal reward will be paid for its return to Mrs. Chas. P. Rathfon 43-17

"Rat-Snap Beats the Best Trap Ever Made." Mrs. Emily Shaw Says

My husband bought \$2 trap. I bought a 50c box of RAT-SNAP. The trap caught only 3 rats but RAT-SNAP killed 12 in a week. I'm never without RAT-SNAP. Reckon I couldn't raise chicks without it. RAT-SNAP comes in cakes. Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Costello Drug Co., and Wilson Bros. Adv.

### An Open Secret

The secret of buoyant, vigorous health, is a well-nourished body. It is an open secret that

**Scott's Emulsion**

is of wonderful help to those who are run-down in vitality from any cause. Try it!

Scott & Downe, Bloomfield, N. J. 20-07

### NOTICE TO PROPERTY OWNERS ON DISMAN STREET

We, the undersigned Street Committee of the City Council of the City of Harboursville, will at 2:00 p. m. Wednesday, September 1st, meet the property owners on Disman St. at the intersection of Depot street and proceed thence over said street to the intersection of South Main, for the purpose of hearing any and all protests and for inspection of said street and ascertaining whether said street is constructed according to contract, and if not, to direct any changes and additions, and if so, to approve said street and certify same to City Council for imposition of Improvement Tax.

Street Committee:—  
T. J. Moore  
A. C. Mitchell  
A. M. Decker

Mr. Vaughn, Farmer, Tells How He Lost All His Prize Seed Corn.

"Some time ago sent away for some pedigreed seed corn. Put it in a gunny sack and hung it on a rope suspended from roof. Rats got it all—how beats me, but they did because I got 5 dead whoppers in the morning after trying RAT-SNAP." Three sizes, 35c, 65c \$1.25 Sold and guaranteed by Costello Drug Co. and Wilson Bros. —Adv.

"Nothing is impossible."

### PERSONAL MENTION

Chas. Bingham spent Sunday in Williamsburg.

Mrs. Lee Jackson, of Flatlick, was here Tuesday.

Miss Geneva Mae Pickell, court stenographer, is smiling as the glad to be in Harboursville once more.

Alex Black, of Richmond, Ky., returned home Saturday. Mrs. Black will remain for some time longer.

The Cut Rate Smoke House is handling a big lot of brown skinned smokes that satisfy the palate. You can't fail to find a good smoke here.

FOR SALE—One 60 h. p. tubular boiler, in fair working condition. Gus Hauser, Union College, Harboursville, Ky. 41-41

E. F. Dozier, who worked for a bridge company, lost his left hand at the wrist. His father, J. F. Dozier has not yet learned the cause of the accident.

Mrs. Levi, Miss Beeman, Mrs. E. V. Hargo, Mrs. D. W. Shusher and Miss Marguerite took dinner with Mrs. Gillis Henderson, of Four Mile, Monday evening.

Rev. W. F. Gregory came in from Louisville to rest up following a period of hard work which has somewhat impaired his health.

Miss Beadle Main announces that her fall and winter hats are on display and cordially invites the public to inspect them.

Miss Nannie Stickley visited Pineville last week.

Mrs. John W. King, of Magnet, Bell County, is visiting her father, Judge J. E. Main.

The Dixie Wholesale Company has secured bricklayers to go ahead with the new wholesale building.

Harry Holman, engineer on the L. & N. has bought thru C. Dickinson & Co. the S. L. Lewis property on Disman Street.

Rev. and Mrs. Aubrey Guyn entertained Misses Fannie Kellum, of Red House, and Roberta Cole to dinner Sunday evening. In honor of the occasion they took the strangeness off the wedding gift silver.

Mr. and Mrs. Sam Cawn have gone to St. Louis. They were joined at Corbin by M. Sherman.

Franklin & Cannon are putting on a Blackboard Sale of things needed by school children which it will pay parents to look over. August 28th to September 4th.

Mr. and Mrs. E. C. Harner, whose photographic work makes Pineville famous, spent Sunday with the Hawn family. They were accompanied by Arthur Metor.

Mr. F. R. Barner is on the sick list this week, but being an optimist you can't keep him down. By the way, Mr. Barner has a lot of fine grapes for sale. They are fine for grape juice or preserves.

C. Dickinson & Son have sold the John Detherage property on Main Street to Joe Payne, a coal operator of Manchester. Mr. Payne has also bought the desirable fourteen acres of land adjoining the old Sawyers home from Green Detherage thru the same agency.

If you like the Advocate, tell others. Costs \$1.50 a year.

## Indigestion

Many persons, otherwise vigorous and healthy, are bothered occasionally with indigestion. The effects of a disordered stomach on the system are dangerous, and prompt treatment of indigestion is important. "The only medicine I have needed has been something to aid digestion and clean the liver," writes Mr. Fred Ashby, a McKinney, Texas, farmer. "My medicine is

## Thedford's BLACK-DRAUGHT

for indigestion and stomach trouble of any kind. I have never found anything that touches the spot, like Black-Draught. I take it in broken doses after meals. For a long time I tried pills, which gripped and didn't give the good results. Black-Draught liver medicine is easy to take, easy to keep, inexpensive."

Get a package from your druggist today—Ask for and insist upon Thedford's—the only genuine. Get it today.

Build houses and help the city grow. Every home built can either be well rented or sold at a profit. We have both lumber and brick here

Smith-Riley Coal Co. have installed an electric drilling machine that drills a six foot hole in one and a half minutes. The Harboursville Electric Light & Power Co., which supplies the current, is fixing to wire up four more miles. They have already built two and one half miles of high tension line along the C. & M. R. R.

Goodyear post of the American Legion is the fourth largest in Ohio. Figures announced by State Adjutant Hugh K. Martin show that it is the largest in Summit County, with 1,099 members.

In the recent nation-wide membership drive the post made big strides and is now only surpassed by Hentley Post, of Cincinnati, Franklin Post, of Columbus and Cutler Post of Springfield.

The Workmen's Compensation Board was in session the first of the week with all three of the members present, Messrs. A. S. Bennett and P. S. Dumas, of Louisville, and C. R. Levi, of Ashland, constituting the Board. They found the work in charge of Secretary V. C. McDonald in splendid shape and being cared for in an entirely satisfactory manner.—Kentucky Republican.

"Why I Put Up With Rats for Years" Writes N. Windsor, Farmer

"Years ago I bought some rat poison, which nearly killed our line watch dog. It so scared us that we suffered a long time with rats until my neighbor told me about RAT-SNAP. That's the sure rat-killer and a safe one." Three sizes, 35c, 65c, \$1.25. Sold and guaranteed by Costello Drug Co. and Wilson Bros. —Adv.

## We Must Guard Our Girls

On the threshold of womanhood comes the crisis which means health or invalidism. Three generations ago an old southern doctor wrote a prescription for the ills of women, which has become known to fame as "Stella Vitae," has been the right thing at the right time for thousands of young girls, down to the present day. Try it for YOUR daughter. Money refunded if FIRST BOTTLE does not benefit. At your drug store

### Saved An Operation

MR. W. P. NELSON, a merchant of Hixson, Tenn., says: "That the daughter of one of his neighbors, Mr. James Roberts, was in such a condition with female trouble that an operation was advised, and the young lady was sent to Chattanooga for its performance. She dreaded the operation, and STELLA VITAE having been recommended, decided to try that first. She hastened six bottles and is happily on the road to recovery. She is able to do her usual work and is in better health than for years before, but continues to use it. She writes: 'STELLA VITAE will do all you claim.' Her father says 'She began to improve at once, after taking STELLA VITAE.'"

# Goodyear Mileage—and Tires for Small Cars

A well built tire yields much more mileage for each dollar of cost than a tire purposely made to be offered at a sensationally low price; buy the tire, not the price.

Built to deliver exceptional mileage at exceedingly low cost, Goodyear Tires, of the 30x3-, 30x3 1/2- and 31x4-inch sizes, save inconvenience, disappointment and money.

Their value results from the application of Goodyear experience, expertness and care to their manufacture in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires—for the real worth and endurance that Goodyear builds into them.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread..... \$23.50  
30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread..... \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? \$4.50  
30x3 1/2 size in waterproof bag
